Comments:

We started advertising on the Shop Rite register tape one year ago. We consistently get coupons in every day. We average at least ten coupons per day with an average sale of \$30 per customer. Our return on investment is excellent. We pay \$14.79 a day and get back \$300 a day / \$2,100 per week / \$8,400 per month. This is a no-brainer. We love RTUI. We're renewing our contract and recommend this program to other businesses.
